

Moonlight Cinema is coming! Friday 23rd Nov

The Greatest Showman is making his final appearance for the year at the Glen Iris Primary green! All set for Friday 23rd November, a huge inflatable screen will descend on our patch, along with popcorn, gelati, sausages and soft drinks. Grab your kids and their friends and their parents, throw an old beanbag or beach chair in the car, along with a blanket, nibbles and a bottle of something, and come join us for the music, laughs, thrills and spills of the movie of the year...

This is our last PA social function for the year, and we hope it will provide a nice chance to get together before the silly season arrives and the year finishes up.

This is a community building event, with funds only going to cover costs. Family tix are a super cheap at \$15 on Try-Booking www.trybooking.com/YZTF or \$20 at the gate. Gates open and sausages are on from 6pm, movie starts at sun-down.

Hope to see you there!

Make it. Bake it. Buy it. Eat it! This Friday!

Looking for a homemade something special to take to that Spring Racing barbeque that you can claim as your own? Heading off camping with a bunch of ravenous sugar-seeking kids?

Look no further! Make and Bake is baaaaack! The kitchens of Glen Iris are in full swing pulling together some home-made delights to line the shelves of our GIPS Make and Bake stall, this **Friday 2nd November**, 3pm on the Coloured Squares.

Instructions have been sent home in school bags. Crank up your ovens. And arm your kids with some gold coins for those mega-Anzacs!

All funds will go to nominated PA fund raising activities. And by the way, **Shane Millar** who is spearheading this great event, is desperate for some help. Please see the links to Sign-Up to help.

GIPSMEN get together

“What would you do if your 15-year-old asked if you could buy her a 6-pack to take to a party?” These were some of the thought-provoking questions posed to some of the great dads of Glen Iris who fronted up the Malvern RSL to share a beer, a story, and listen to some words of wisdom from some of the Champion Dads from the Fathering Group. Organised by

our very own champion dad – **Bryan McMeikan** - guest speakers include Colin “Westy” West, and Ian “Couty” Couttes. Other guests included dads from Camberwell Primary, and Croydon Hills Primary. It was a real thought-provoking, inspiring, and funny night - reminding us all that we are all trying to do the best job we can as dads, but there is always room for improvement!

Any dad or father figure who would like to learn more about GIPSMEN or the Fathering Project, contact Bryan McMeikan at bryandsas@hotmail.com For more information on the Fathering Project or to register for free email tips on how to be a better dad, check out: <http://thefatheringproject.org/>.

Keep tuned for the next GIPSMEN function early in 2019.

Parents Association Annual Wine & Cheese meeting – Monday 12th November

The PA AWC – Annual Wine and Cheese meeting is set for **Monday 12th November at 7.30pm**. This will be a get-together for anyone who has been part of the PA over the year, or whom would like to part of it for next year. It is meant as a small celebration of our work but also an opportunity to discuss plans for next year and fill some of the roles necessary to deliver on them. We really encourage any interested or enthusiastic parent to join us!

Kind regards

See you round the grounds
