

WHAT'S BEEN HAPPENING

Welcome back to Term 4! We hope everyone had a restful break and is ready for another fun-filled term. During the holiday program, we had an absolute blast with the children, who took part in an exciting range of activities—from creative arts and crafts to energetic outdoor games and special themed days. It was wonderful to see so many smiling faces and new friendships forming.

As we settle back into the routine, we're thrilled to announce that we have a jam-packed schedule of exciting events and activities planned for the coming weeks. From interactive projects and challenges to outdoor explorations and team-building exercises, there's something for everyone to enjoy. We can't wait to continue creating amazing memories together as we make the most of the final term of the year!

TEAMKIDS CLUBS ASC WEEK: 5-9

MONDAY

Music and Mindfulness

NEWSLETTER

Communications

As the warmer weather approaches, we want to ensure the safety and well-being of all children attending our Out of School Hours Care program. Please take a moment to read through these important reminders:

Sun Safety: No Hat, No Play

To protect your children from harmful UV rays, we are enforcing a strict “No Hat, No Play” policy. Please ensure your child arrives with a wide-brimmed or bucket-style hat each day. We also encourage you to apply sunscreen to your child before they attend. If your child has sensitive skin, we provide sunscreen suitable for all skin types, but if your child requires a specific brand or type, you are welcome to send it along with them.

If you would like to leave a hat and/or sunscreen with us, please hand them to an educator and we will make sure to keep them for when your child is here to ensure they can play!

What I Like About Team Kids

You can read a book. You can paint. We have axolotls to look at. We have a mini kitchen. We can go outside.
