

1 July 2024

Monday

Activities for today:

As requested during our survey we are sharing our daily program showing when we plan to run each activity for the days during Vacation Care.

Please keep in mind that although staff strive to run all activities at the scheduled times sometimes this isn't always possible due to weather and interest in the activity. In addition to the planned activities we also have plenty of time for spontaneous activities and back up activities so the children are always engaged and happy until pick up

For everyone that is attending during Vacation Care please remember to pack morning tea, lunch, and a water bottle. Team Kids provides afternoon tea. Please ensure children are wearing socks and enclosed shoes as well for safety purposes.

Children cannot bring along electronic devices to play on, we also strongly recommend not to bring things such as lego or Texas/art supplies as these can accidentally get mixed into Team Kids resources when the children are playing.

1 July 2024
